MEMORANDUM FOR: [REDACTED]

Federal Women's Program Coordinator

SUBJECT:

External Training - [REDACTED]

1. Some time ago we discussed the possibility of assisting [REDACTED] in her work towards a B. A. degree. Attached hereto is the transcript of her studies and grades so far. May I now avail myself of your offer to prepare the paper work requesting Agency assistance.

2. As I told you before, I cannot certify that a college degree will make [REDACTED] more qualified for her work in CCS. However, on the basis of her performance here, her record in prior Agency positions and her initiative to qualify for professional status, she deserves considerable Agency support. She is currently not in school because she was not able to handle tuition and other expenses in addition to her household responsibilities. If we are really serious about equal opportunity and giving employees a real chance to upgrade themselves, [REDACTED] deserves our wholehearted support.

3. Let me know if you need anything else from me.
